At Breaker Rock Beach, kids will learn to recognize the difference between what people may say is true and what God says is true. They’ll discover that, unlike the shifting sands of culture, God’s truth never changes! It stands strong like a towering rock—a beacon calling us to hold tight to it so we aren’t tossed about by every new crashing wave. At VBS, kids will learn that God does not want them to be conformed to this age, but to be transformed by the renewing of their minds so that they can discern what is the good, pleasing, and perfect will of God. Romans 12:2
